#### DEFENDING RACE WINNERS

2021: Fred Olson (1970 Pride of Pay'n Pak) [nitro], Don Mock (1985 Miller American) [FE], John Olson (1971 Country Boy) [gas]

#### RACE CLASSES

1/8<sup>th</sup> scale nitro, 1/8<sup>th</sup> scale electric (FE), 1/6.67<sup>th</sup> scale gas (Gas Scale), 1/10<sup>th</sup> scale electric\*

\*1/10<sup>th</sup> scale electric will contest under R/CU's "Invitation to Race Policy" and will race assuming there are at least 3 entries.

#### RACE FORMAT

All classes will have 4 preliminary heats.

1/8<sup>th</sup> scale nitro and 1/8<sup>th</sup> scale electric: Top 6 boats make the final. Next 5 boats make the 1<sup>st</sup> consolation, with the winner advancing to the final as a trailer. Next 6 boats make the 2<sup>nd</sup> consolation, with the winner advancing to the 1<sup>st</sup> consolation. Second consolation race will be optional and confirmed during drivers' meeting depending on boat count.

Gas Scale: Top 5 boats make the final. Next 5 boats make the 1<sup>st</sup> consolation, with the winner advancing to the final as a trailer. Next 6 boats make the 2<sup>nd</sup> consolation, with the winner advancing to the 1<sup>st</sup>

consolation. Second consolation race will be optional and confirmed during drivers' meeting depending on boat count.

1/10<sup>th</sup> scale electric: Format to be determined during drivers' meeting.

### **RACE REGISTRATION COSTS**

A driver is allowed to submit multiple entries in any class. First entry is \$20, with any additional entry is \$5 (regardless of class). Race entries are paid Sunday morning via cash (please bring exact change) or credit card.

### **PARKING PROCEDURES**

When pulling into the race site from the parking lot, go through the end of the parking lot through the unlocked gate. Please try to limit the number of cars in the pit area to 3 at a time. Please try to park any trailers in locations that will work well for your pit neighbors as well. Please try to avoid driving on the grass in the pit area as much as you can, as there are paved paths to navigate your vehicle on.

Park closer to the parking lot, but aside from the path. Please try to limit parking on tall overgrown grass; there should be mowed grass to park on.

### **TABLES AND HOT PITS**

At this race site, we have to enact a "hot pit/cold pit" due to the presence of foot traffic through the race site. Boats may be trailer fired at the cold pit, but you CANNOT carry a boat with a running prop from the cold pit to the water. Please move boats to the hot pit area (at the water line) to do so.

Knowing this, we need volunteers to bring extra tables for the hot pits. It is estimated we need 7 extra tables to act as hot pit tables. If you have an extra table, please bring it to facilitate the racing for others!

### **RACE SITE WATER**

You may observe signage around the lake for toxic algae concerns. It is recommended that all boat launching and retrieving is performed in rubber boots.

### **SCHEDULE REVISIONS**

Based on feedback from the Champion Spark Plug Regatta, the schedule will continue to evolve over the season. The contest director has the option to remove second consolation heats and/or reduce the number of 1/10<sup>th</sup> scale heats. Please listen up at the driver's meeting for the day's format.

### **THANK YOU TO TRAILER TOWERS**

Special thanks to all who have volunteered to tow the trailer around the state to run our races in 2022: Scott Meyers, Bobby Colean, Rich Matkin, Don Mock, and Jim Whyte. Without your help, we would have to cancel races!
